

Merry Christmas and Happy New Year

The Board of Trustees of the Newfoundland and Labrador English School District would like to offer holiday wishes to all those who make valuable contributions to our education system.

As we embark upon new and exciting challenges as trustees, we must build upon the strong relationships between our schools, school councils and communities, as well as the many volunteers and community groups who offer so much to our students and staff. Let us continue to work together to support our students and ensure education is a priority for everyone.

The holiday season is certainly a time to reflect upon the many blessings we have and accomplishments attained. It is also a time to reinvigorate ourselves and set a new course for student achievement and school success. So in that spirit, we encourage everyone to reflect upon the year past while also planning future objectives and how best to reach them.

We wish you a joyous holiday season and look forward to working together for the future success of our students and schools in 2017.
