April 2, 2019

Dear Parents/Guardians:

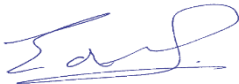

The Department of Transportation and Works has announced a \$3.6 million contract has been awarded to complete repairs at Bishop Feild Elementary in St. John's.

The work is anticipated to be completed in December, with students and staff return to the Bond Street location in January 2020. The complete news release is here:

<https://www.releases.gov.nl.ca/releases/2019/tw/0402n05.aspx>.

This is good news for the school community and the District is pleased to see this project moving forward as planned. Once again, we thank the school community for its patience as work continues to ensure Bishop Feild students and staff can return to a safe teaching and learning environment.

Sincerely,

ED WALSH

Associate Director of Education - Programs and Operations (Acting)
