Good-day families,

Thank you to everyone who has been sharing their thoughts and values with us, as the Newfoundland and Labrador English School District undertakes a review to look at the potential to reconfigure St. Bernard's Elementary to a Kindergarten to Grade 4 school, with the Grade 5s being assigned to Mobile Central High School.

All voices matter, so your participation is crucial and valued. We've had **69** people share more than **150** thoughts so far.

Remember, we would like to get everyone's input on the following:

Share your thoughts and perspectives about St. Bernard's Elementary Grade 5 students moving to Mobile Central High as of the 2019-20 school year.

If you have already been in, please take a few minutes to go back in and add some stars to the new thoughts that have been added.

The results of this ThoughtExchange will help the Board determine whether Mobile Central High should be reconfigured to a Grades 5-12 school in 2019-20. All voices matter, so your participation is crucial and valued.

Participation in this exchange will be open until **10:00 p.m., Tuesday, March 5, 2019**.
