

March 5, 2019

Good-day families,

About 120 people have so far shared their thoughts on the potential to reconfigure St. Bernard's Elementary to a Kindergarten to Grade 4 school, with the Grade 5s being assigned to Mobile Central High School. There are some important thoughts and great ideas being shared!

While we are pleased with the number of people who have participated to date, we want to ensure as many individuals as possible within the school community can share their views and hear from others on this potential change. Therefore, please be advised that we are extending the opportunity to join the ThoughtExchange discussion until **10:00 p.m., Friday, March 8, 2019**. This will provide an additional few days to allow for school community members to wade into the discussion and share their thoughts.

Everyone is encouraged to visit the discussion via the link below and rate as many thoughts as possible by assigning them a number of stars (from 1 to 5). That will help us understand what's most important to you.

To launch the ThoughtExchange dialogue, please visit: <https://my.thoughtexchange.com/#691532588>

Remember, we would like to get everyone's input on the following:

Share your thoughts and perspectives about St. Bernard's Elementary Grade 5 students moving to Mobile Central High as of the 2019-20 school year.

Again, complete information on the School System Review Process is available on the District's website. The direct link is here: <https://www.nlesd.ca/schools/schoolreview/2019/system-sbe-mch.jsp>

Thank you in advance for your input into the decision-making process.

Regards,

Darryl Feener
Assistant Director of Education (Programs - Avalon Region)
