

# Mobile Central High School System

Winter 2019

# April 14, 2018 Board Meeting

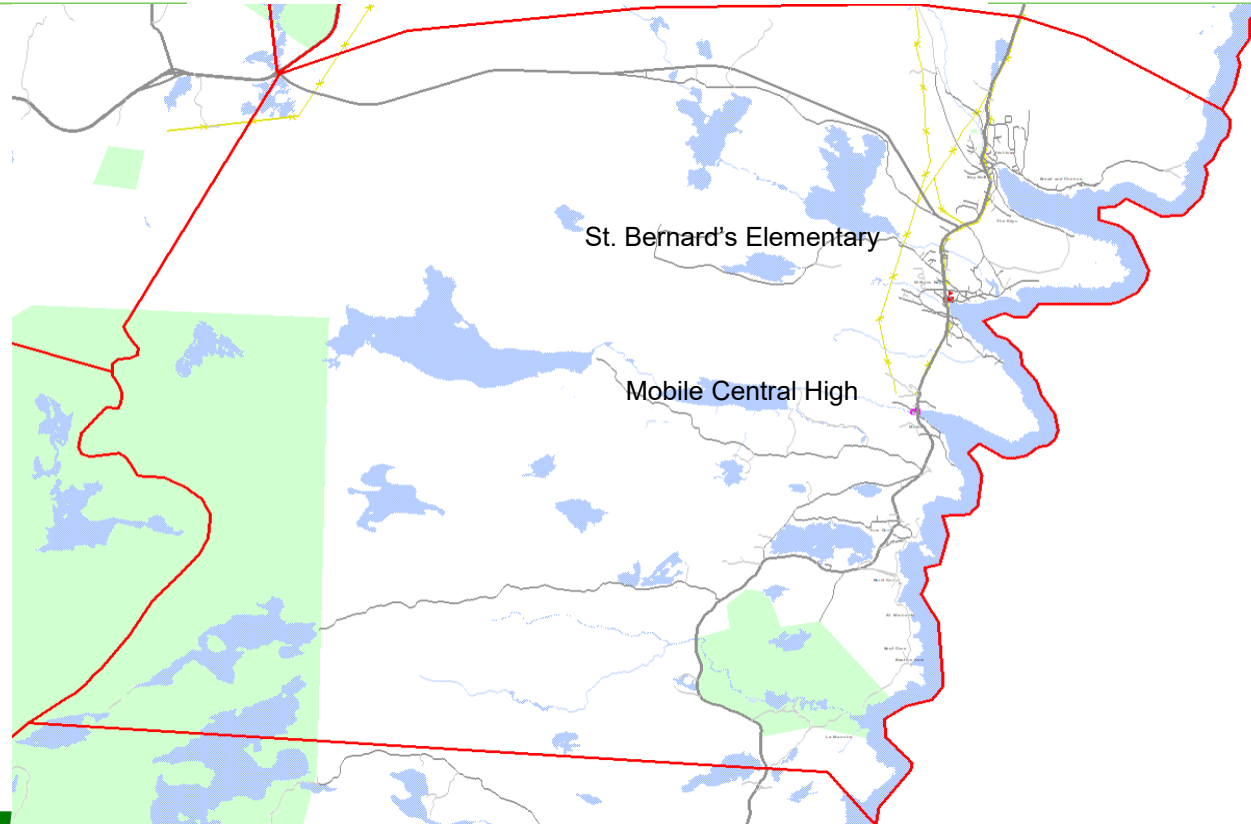

---

## MOTION:

That the Board begin a school review of the Mobile Central High School System, in particular look at reconfiguring St. Bernard's Elementary to a Kindergarten to Grade 4 school and that grade 5 be assigned to Mobile Central High School. This review will commence the Fall of 2018 when more data is available to assess enrolment numbers. (Jennifer Aspell/John George) Carried

# Mobile Central High School System

# St. Bernard's Elementary Considerations

---

- Rooms have been repurposed to function as classrooms and student services spaces
- Library space subdivided as a classroom
- Washroom spaces
- No flex spaces for emerging needs
- Overall site/building congestion

# St. Bernard's Elementary Considerations

---

- School currently has 17 classrooms (14 regular classrooms +3 modulars)
- As a K-5, the room requirement is currently at 16
- Enrolment is projected to increase to a high of 384 in 2028
  - ▶ Maximum room requirement of 17 in 2025 to 2028
- Grade 6 currently housed at St. Bernard's Elementary until September 2019 due to construction of extension at Mobile Central High (estimated date of completion is April 2019)

# St. Bernard's Elementary Projection (K-5)

Mobile Central High School System

# Mobile Central High Considerations

- School currently has 14 classrooms
  - ▶ 11 regular classrooms + music room, art room, and science lab
  - ▶ School also using partially-scheduled spaces in cafeteria
- School receiving 9-classroom extension
  - ▶ Sufficient to accommodate grade 6 as well as freeing up specialty areas
  - ▶ Additional space is sufficient to accommodate grade 5
- Enrolment projected to increase to a high of 397 in 2028
  - ▶ Maximum room requirement 16 in 2027
  - ▶ Room requirement in high school calculated as 1 per 30 students
- Grade 6 students will move to Mobile in September 2019

Mobile Central High School System

# How Thought Exchange Works...

People share thoughts independently and confidentially

Everyone considers and rates thoughts shared by others

Everyone learns what is important to the school community

# Consultation Comparison

## Admiral's Academy Consultation (Traditional)

- 96 valid responses
- System enrolment 1276 (St. Edward's & Upper Gullies)
- One respondent for every 13 students.

## Holy Spirit/Mount Pearl Consultation (Thought Exchange)

- 1048 respondents
- System enrolment is 6101
- 1 respondent for every 6 students

# Anticipated Timeline

---

January - meeting with administrators and school councils

January – Board Update

February - Anticipated School Community meetings facilitated by School Councils

February / March - ThoughtExchange consultations

April 13-14 - Board of Trustees decision

# ThoughtExchange Question for Community (Draft)

---

## Demographic questions:

1. To what school does your family most associate?
  - St. Bernard's Elementary
  - Mobile Central High
  - Our family has students in both
  - Our family currently has no students in either school
2. Do you believe that Grade 5 students should be moved from St. Bernard's Elementary to Mobile Central High?
  - Yes
  - No
  - I don't know

## Main ThoughtExchange Question: (Draft)

What are your thoughts & perspectives about moving Grade 5 students to Mobile Central High for the 2019-2020 school year? (Include factors/considerations that the schools/District should keep in mind)
