Office of the Assistant Director of Education*

November 28, 2017

Dear Parents and Guardians:

As you are aware, the Newfoundland and Labrador English School Board is undertaking a review of James Cook Memorial with the potential for the school to close and students attend White Hills Academy beginning in September 2018. The process includes consultation with school councils, administrators, and the school communities.

At the November 25, 2017 meeting of the Board the following notice of motion was tabled:

WHEREAS the Newfoundland and Labrador English School District is committed to providing the best possible educational programs for students; and,

WHEREAS school closure is required to achieve that objective;

BE IT RESOLVED that:

James Cook Memorial will close effective June 2018 and students will be rezoned to attend White Hills Academy effective September 2018.

As a result of this notice of motion, a public feedback process will be undertaken and will include the opportunity for online feedback and a public school community meeting. School community feedback and other information will be reviewed by the Board of Trustees prior to a vote on the notice of motion, scheduled to occur at a public meeting February 3, 2018.

A school community meeting will be held on Monday, January 15, 2018 at 6:30 p.m. in the gymnasium of James Cook Memorial. Members of the school community who would like to make a presentation to the Board of Trustees may do so at this time. Presenters are asked to contact Jackie Crane at 758-2381 or jackiecrane@nlesd.ca by 2:00 p.m. Wednesday, December 20, 2017 to register. Presentations are to be 10 minutes in length and an electronic copy is to be provided for the records of the Board.

It is extremely important for members of the school community to provide their feedback during this process and an online feedback form is available on the website of the District (www.nlesd.ca). Online feedback will be accepted until Monday, January 22, 2018.

If a member of the school community does not have Internet access they can call 637-4000, if verbal feedback is preferred, or fax 634-1828.

Sincerely,

Donna Miller Fry,
Assistant Director of Education (Programs-Western)
