Good-day families,

Thank you to everyone who has started sharing their thoughts and values with us, as the Newfoundland and Labrador English School District develops options for public consideration on which students will feed into the new intermediate school and future planning initiatives for the area.

All voices matter, so your participation is crucial and valued. We've had 422 people share thoughts so far and we are listening. In the interest of providing you further details to inform your considerations, we are releasing the **Information Booklet for the Holy Spirit High and Mount Pearl Senior High School Review**. This booklet contains insightful information which may help you better understand the logistics of our school systems review. The booklet can be accessed on the District website or directly here:

Remember, we would like to get everyone's input on this question:

**What are the most important things to consider as we develop options for the configuration of the Holy Spirit and Mount Pearl school systems?**

If you haven't had a chance yet, click here to participate: <https://my.thoughtexchange.com/#319268405>

If you have already been in, please take a few minutes to go back in and add some stars to the new thoughts that have been added.

Your input is very important to us so we can help develop options for public consideration on which students will feed into the new intermediate school and help guide planning initiatives. Participation will be open until **10:00 p.m., Wednesday, December 5, 2018.**

Again, complete information on the School System Review Process is available on the District's website, or directly here: <https://www.nlesd.ca/schools/schoolreview/2018/system-hsh-mpsh.jsp>

Thank you in advance for your input and guidance for the future of our students.

Regards,

Darryl Feener  
Assistant Director of Program (Avalon Region)
