

March 28, 2020

Good day Waterford Valley High School System families,

The regular public meeting of the Newfoundland and Labrador English School Board was held on March 28, 2020. During that meeting, Trustees decided not to proceed with any changes for the Waterford Valley High School System. This means that St. Mary's Elementary will remain status quo (Grades K-6) for the upcoming 2020-21 school year.

The report from the most recent ThoughtExchange survey, which closed on March 11, 2020 is also now available and can be accessed through the following link: <https://bit.ly/2019WVHReviewRound2>
