

MEMORANDUM

TO: Parents/Guardians, Gander School System
FROM: Bronson Collins, Assistant Director of Education, Programs - Central
RE: Gander School System
DATE: March 28, 2017

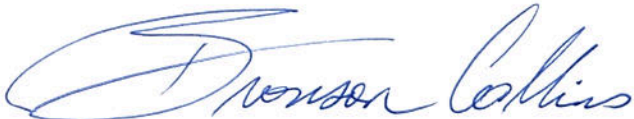

Dear Parents and Guardians:

As you are aware, the scheduled September 2017 completion of the new Grades 4-6 school in Gander will result in grade configuration changes for Gander Academy. The revised school system in Gander will have Gander Academy become a grades K-3 school, which will feed the new school. At the completion of Grade 6, students will continue to proceed to St. Paul's Intermediate School and then Gander Collegiate.

The District has prepared an information package that contains details of the proposed changes. Members of the school community are encouraged to review this information to become familiar with the new system. The package can be found on the District website (www.nlesd.ca/schools/schoolreview/2017/systemgcss.jsp) or by contacting your school administration.

Should you have any questions about this process or if you would like to provide feedback to the Newfoundland and Labrador English School District, please contact Mr. Terry Spurrell, Senior Education Officer, at 256-2547 (ext. 277) or terryspurrell@nlesd.ca.

Sincerely,

Bronson Collins
Assistant Director of Education - Program (Central)
